

KSK ACADEMY SR. SEC. SCHOOL

Circular No. 003/24-25

Date- 23-04-2024

The session 2024-25 has just begun and it has been observed that parents are applying for long leave for their ward.

Long absence not only affects the performance of your ward but up to class VIII attendance also carries marks for both the terms.

75% attendance is compulsory for all the classes to appear in any examination conducted by School/CBSE Board.

In case you have applied for 10 days leave with an application to school, mind you, only 5 days leave will be sanctioned and rest 5 days your child will be considered 'ABSENT' and accordingly the attendance will be calculated and you will receive message of absenteeism from school inspite of your application submitted.

You all are aware that during the session Government declares certain unplanned holidays due to unavoidable circumstances like: pollution, excessive heat/cold etc. therefore we at KSK have planned to keep the summer break from 1st June to 30th June 2024 (Mentioned in the annual planner).

Regular school/classes will be carried on till 31st May 2024.

Thanks. Seeking your cooperation.

Team KSK
